

Welcome to my Website!

There will be a new Dairy Queen opening in the business park near Hershey. The franchisee Cameron had this to say "Expect a new high-end Dairy Queen soon. We will have the best flavors, customer service, and prices ever"

When will it be open?

The Dairy Queen will be open for business in approximately **6 months**. The construction will begin following this month. Expect your summer to be full of ice cream and happiness.

The new Dairy Queen location is **now hiring** to be fully staffed for summer. You can get an application online at Dq.com
